Interactive presentation "Using Socially Engaged Art to Make the Invisible Visible" Using art's elasticity to work across disciplines, Cortada creates processes that engage community in problem-solving. Focusing on the pandemic and our climate emergency, Cortada takes us on a journey through his science art and socially engaged art practice.
9	16:50 - 17:30	PERFORMANCE PANEL: "La storia nel vuoto" (The story into the void) live performance by Davide Piero Runcini – graduate of Arts Academy Roma. Piano concert with projections of paintings, the result of the synesthetic study of the consorts who have been working together for over 10 years. Correspondence of disciplines such as correspondence of souls, empathy. The beauty will save the word. Art as awareness of the past, consolation of present difficulties and energy for the future....yes, Art will cure the world!
<u>END SGEM 2020 Conference Programme: Day1, 9.12.2020</u>
